SENDING HOPE AND EMPOWERMENT AROUND THE WORLD AND AROUND THE CORNER

18 Urbana-Champaign Area Churches Came Together; Packed 6,000 Rice Meals

"WOW! Eighteen churches coming together to worship and praise God, then working with Midwest Mission to help those in need. What a truly amazing day," Laura Wittig, Oakwood UMC, said of the event in Fairmont, IL as Midwest Mission kicked off October on Sunday together with people representing 18 churches for World Communion Sunday. Held at the Crooked Creek Whitetails Estate, the churches came together to celebrate the special Sunday in worship and by serving others through the assembly of Rice Meal Packs.

The weather was beautiful and the venue was set up perfectly for the service project to be done overlooking the water. Multiple lines were available and ready for the attendees to fill 1,000 Rice Meal Bags and they did just that after raising their voices together in song, partaking of communion and listening to messages of hope and community. They packed 25 boxes with 40 Rice Meal Bags per box. Each bag feeds an average family of six. They created enough meals to feed 6,000 individuals in about an hour and a half.

"This was the first time that I had volunteered for the Midwest Mission and it was amazing. I love going to church and learning about God but standing outside with my funny hat on (aka: hair net) and disposable gloves with a bunch of other Christians filling rice meal bags made me feel closer to God and his work than I had been in a long time. Knowing that I was able to help families by a simple task on a Sunday afternoon gave me such joy and happiness. I truly felt blessed that I was able to volunteer for this project. I am thankful for all who work and volunteer with the Midwest Mission. They are truly God's people."- Christine Nargelenas, Catlin UMC

"It was wonderful to see so many fellow Methodists raise their voices in worship together, enjoy fellowship over lunch and then put their faith into action by filling rice meal bags for those in need around the world. Why do we only do this once a year?" Marilyn Elrod, Oakwood UMC

The churches that came together included:

- Allerton UMC (Allerton; Pastor Clyde Snyder)
- Batestown UMC/Union Corner UMC (Danville/Danville; Pastor Patti Wise)

- Fairmount UMC/Fairview UMC/Georgetown UMC (Fairmount/Georgetown/Georgetown; Pastor Matt Filicsky)
- Fithian UMC/Danville Farmers Chapel UMC (Fithian/Danville; Pastor Jie Wu Smith)
- Homer UMC/Broadlands UMC (Homer/Broadlands; Pastor Heju Nam)
- Middlefork UMC/Gifford UMC/Collison UMC (Potomac/Gifford/Collison; Pastor George Desmond)
- Oakwood UMC/Catlin UMC/Hebron UMC (Oakwood/Catlin/Oakwood; Pastor Trevor Oetting)
- Newman UMC/Murdock UMC (Newman/Murdock; Pastor Melanie Hoth)

If you are interested in getting your church or group involved in an off-site service project, [here](#) are your opportunities! We look forward to serving with you!

SENDING HOPE AND EMPOWERMENT AROUND THE WORLD AND AROUND THE CORNER

St. Luke's UMC in Indianapolis Donates 756 Assembled Home Care Kits

For the second year in a row, **St. Luke's United Methodist Church in Indianapolis, Indiana** assembled Midwest Mission Home Care Kits as a congregation.

The total? **756 kits!** WOW!

This project was part of St. Luke's UMC's "I Love My City" Day where all congregants (from two locations) are able to participate in several

different mission projects to show their love in a practical way.

Tom Lange, who helped organize the project, said “the objective is to activate as many of the congregants as possible.” They picked Midwest Mission’s Home Care Kit as one of the projects because of the obvious need there is for basic cleaning supplies around the world after disasters.

Sixty people volunteered for this easy (yet impactful!), hands-on project from ages 6 to 80. And, they made all 756 Home Care Kits in *four hours!*

When we asked Tom how serving has impacted their church community he said, **“For some, it’s an entry into service, for others it’s an opportunity to remember what Jesus calls us to do, and for others it’s a time to build community. This is a fun project with tangible results meeting an obvious need.”**

Thank you, St. Luke’s UMC for partnering with Midwest Mission to send hope and empowerment around the world and around the corner.

Your church can participate in a hands-on mission opportunity just like this! It can be as small or big as you’d like. Visit midwestmission.org/get-involved to see how your church can start making an impact today!

Angels of Hope Shipment to Honduras

On Thursday, October 12, we sent another **Angels of Hope** shipment to Honduras. The supplies will serve children's homes and orphanages around the country of Honduras, helping these organizations meet the basic needs of the children that are in their care.

The team at Midwest Mission crowded around the shipment and listened as staff members shared about the supplies on the container. Before the container left, we prayed over the shipment and sang the doxology. You can watch the shipment prayer circle [here](#).

This was the 38th international shipment of the year, and it included:

- 432 Home Care Kits
- 840 Personal Dignity Kits
- Disinfectant Wipes

Value: \$53,660.00

PERMANENT COLLECTION SITE *News*

Midwest Mission has been blessed with volunteers across the Midwest who give of their time, energy and resources to assist us in carrying out God's mission to help those in need. Some of these volunteers use the facilities God has blessed them with to provide a donation collection point for needed supplies. These are our **Permanent Collection Sites!** You can find their contact information [here](#).

What's Happening @ Permanent Collection Sites?

We would like to welcome our newest Permanent Collection Sites added in September:
First UMC, Bedford, IN and **Bethlehem UMC, Hutchinson, MN**

Thank you, **Mequon UMC, Mequon, WI** for organizing collections from Cargill UMC and Lord's UMC. They collected 44 school kits, 22 bed packs, a sewing machine and many other needed items. Great job!

Bethany UMC, Green Bay, WI worked hard and it paid off. They have collected 200 PDKs, 150 School kits, 40 Home Care kits, 2 sewing machines and 2 bicycles. Awesome!

Riverside UMC, Park Rapids, MN delivered a trailer full of sewing machines and other items to our location in Illinois. Thank you, Duane and Jennifer Gebhard, for bringing those to Midwest Mission. Riverside UMC also took home a Loom to begin weaving Sleeping Mats. Start recycling those grocery bags!

Thank you to Pat and Sharon Baumer, **Emmanuel UMC, Noblesville, IN**, who spent two weeks as Volunteer Leaders at Midwest Mission in Illinois. Part of that time was spent with a team of volunteers from their own church.

Volunteer Leaders, Stan and Jennie Lowrey, **Pattonsburg UMC, Pattonsburg, MO**, along with Ray Trent, **New Lenox UMC, New Lenox, IL**, worked outside with the Nomads team during the hottest weeks of the summer. Thank you for all you do!

We have added several new sites in 2023 and hope to add even more. If your congregation is interested in becoming a Permanent Collection Site, please contact teresa@midwestmission.org for more information.

SENDING HOPE AND EMPOWERMENT AROUND THE WORLD AND AROUND THE CORNER

Kingdom Assignment from Belvidere First UMC Brings Member to Midwest Mission

Last week, Dan Holmes came to Midwest Mission to pick up a Loom that he had [requested](#). Dan attends Belvidere First United Methodist Church in Belvidere, Illinois.

During a recent Sunday morning service, the pastor at Belvidere FUMC gave out \$100 bills to members of the congregation. This was not to spend on themselves, but to use as a “Kingdom Assignment.” Each member could spend the \$100 on something that would further the Kingdom of God in some way.

Shortly after he received the money, Dan was scrolling through Facebook and saw our recent post about making Sleeping Mats using a Loom. The Sleeping Mats are made out of plastic grocery bags and can be sent around the world or given out to

local organizations. Churches can get a Loom for their congregation to make Sleeping Mats as a mission project.

Listed on the Facebook post was the suggested donation to get a Loom: \$100. God moment! He immediately knew that was what he should use his money for. He called us right away to request the Loom.

Dan told us his wife might use her \$100 to purchase scissors, storage containers, and other items to assist in making Sleeping Mats as a congregation.

It is amazing to see how God encourages each one of us in doing his Kingdom work. The \$100 that Dan used will allow people around the world to have a dry, dirt-free space to sleep on. The mats are easy to clean, dry, and carry around.

Thank you, Belvidere FUMC and Dan for showing God's love in a practical way!

Iowa Update + New Role for Danille Curtis

Midwest Mission Iowa has been busy! Danille Curtis and volunteer leaders, Alaire Willits, Bill and Connie Ridgley, and Brett and Kristi Ahrens, have done an amazing job cultivating a new home for Midwest Mission. Volunteers have been busy at work, making Sleeping Mats using looms, packing Rice Meals, and assembling kits. There have been teams coming from Iowa, Minnesota, and Nebraska.

In September, Danille began transitioning to the new role of Midwest Mission's Iowa Public Relations Specialist. Danille was integral in opening our second location. Now, she will be working to spread the word about Midwest Mission and coordinate efforts between Illinois and Iowa.

Danille will be available to speak at churches in the Iowa area! If your church is interested in hearing from her about Midwest Mission, you can email her at danille@midwestmission.org.

—
We are looking for Volunteer Leaders who would work to support the Iowa Site Volunteer Coordinator for day-long periods. If interested, email barb@midwestmission.org.

Thank you, Bill!

Bill Walden has been a dedicated volunteer at Midwest Mission for over 5 years. This Monday was his last day serving with us.

We are sad to see him go, but we are thankful for the big impact he made while serving at Midwest Mission!

He is so passionate about the ministry, and helped in a variety of ways, always willing to do what was needed! Thank you, Bill!

SENDING HOPE AND EMPOWERMENT AROUND THE WORLD AND AROUND THE CORNER

Fire Equipment Donation Blesses 10 Fire Departments in Honduras

Fire equipment — hoses, nozzles, hoods, jackets, pants, face masks, gloves, harnesses, helmets, and more. These are items that fire departments in the United States are blessed with. We couldn't fathom not having access to this basic safety gear and equipment.

Many developing countries around the world don't have the same privilege. Their fire gear might look like jeans or shorts and a t-shirt, buckets full of water, and whatever simple equipment they do have access to and can afford.

The ability to safely fight fires shouldn't be a privilege, but a human right. Firefighters, wherever they reside, risk their lives in unimaginable ways. But, to do so without the proper equipment is even more unimaginable.

Did you know fire departments around the U.S. have to get rid of their fire gear that has "expired" due to U.S. regulations?

That's why Midwest Mission collects the gear that is still in good condition, and is safe to use, and sends it to fire departments in developing countries that don't have

the gear they need to safely fight the fires.

Recently, we sent fire gear to Honduras through our partner Food For The Poor. We received a partner report with pictures and information about the fire gear distribution.

The fire gear was sent to 10 different fire stations across the country of Honduras. Their fire stations were short on much-needed equipment.

Heydy Bu, Food For The Poor's in-country partner representative, shared the importance of this donation: "We are now in a much better position to provide the help needed by the Honduran people when there is an emergency."

"God bless you greatly for everything you do for those most in need," Norma Urbina, another representative, expressed. "Our most sincere thanks is given to you through our prayers."

It is truly a blessing to be a blessing.

We will always need fire gear donations for those we serve! If you or someone you know is willing to talk to your local fire department about future gear donations, we have a flier available for you. You can download it [here](#).

Our mission is to bring the hearts and hands of God's people together to transform resources into humanitarian aid. Your willingness to help spread the word allows us to fulfill our mission in new and exciting ways. **Thank you!**

**Supplies in, Supplies Out
40th International Shipment — Honduras**

Supplies do not sit at Midwest Mission very long before they are sent to a place in need.

This past weekend, on October 21, Chantel Corrie and Jeff Whitehouse led a Rice Meal Pack at Grace UMC in St. Louis, MO. Just six days later, these same Rice Meals were shipped out of the warehouse.

This morning, Friday, October 27th, we sent our 40th international shipment of the year. This shipment is through our partner **Food For The Poor**, and will reach its final destination in Honduras.

Your donations, whether monetary or physical, are so valuable to Midwest Mission.

Within a short period of time, your supplies are sent out, and new supplies are needed. This is why Off-Site Events and collections are important to Midwest Mission. Without these events and donations, we would not have the supplies needed to continue filling requests. To learn how your church could participate in an Off-Site Event, go to midwestmission.org/off-site

The container was filled to the BRIM — they even had to pull out the measuring tapes to make it all fit.

This shipment included:

- 16 Bikes
- 20 Mattresses
- 29 Electric sewing machines

- 6,000 Rice Meal Bags
- 185 Little Boy Outfits
- 400 Little Girl Outfits
- 30 Birthing Kits
- 840 Personal Dignity Kits
- 29 Walkers
- 9 Wheelchairs
- 62 Plarn Sleeping Mats
- Tools
- Fire Equipment
- Medical Supplies

Value: \$120,512.40

Thank you to everyone who donated resources and to those who volunteered their time to make this shipment possible. **The people on the receiving end will be truly blessed by the supplies they will receive.**

Prayers to Lift Up

In a world of chaos and strife, it can be difficult to stay strong, but thankfully, Christ is our strength. This week, pray this verse with us, that we will all let it soak into our daily lives: the grace given to us by God is *sufficient* for us.

But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me.

2 Corinthians 12:9
