## April Kit Highlight

# Home Care Kit

Home Care Kits provide basic cleaning supplies for those who cannot afford, or do not have access to, the needed supplies. The items in the Kit all serve the purpose of meeting a basic need – health. When you are in crisis, or are living in poverty, you use the funds you have for food. Cleanliness is forced to be put on hold. But living like this for too long leads to drastic health risks, physically and mentally.

Home Care Kits are sent internationally to meet this basic need. One way they are used is in children’s homes and orphanages. Children’s homes have to spend every penny they receive on food - but then they cannot afford secondary basic necessities such as cleaning supplies. These Kits meet those needs, providing a clean, healthy environment for these children to grow up in, and more opportunities for years to come.

## HOME CARE KIT SHOPPING LIST

- Liquid household cleaner - 56-80 oz. total (no spray bottles)
- Dish soap - 42-64 oz.
- Liquid laundry detergent - 100-150 oz. total
- 1 Scrub brush - with or without handle
- 1-5 gallon round bucket with resealable lid
