

# BE A PERMANENT COLLECTION SITE

**MIDWEST MISSION**  
Sending Hope & Empowerment

## Help Send Hope and Empowerment Around the World and Around the Corner Consider Being a Permanent Collection Site

Midwest Mission has been blessed with volunteers across the Midwest who give of their time, energy and resources to assist us in carrying out God's mission to help those in need.

Some of these volunteers use the facilities God has blessed them with to provide a donation collection point for needed supplies. These are our Permanent Collection Sites!

These sites are especially important when activating our volunteer network in response to a disaster.

**You can find their contact information at [midwestmission.org/permanent-collection-sites](http://midwestmission.org/permanent-collection-sites).**

Our goal is to have a Network of Permanent Collection Sites in each conference of the North Central Jurisdiction. We would like these sites to be in various regions of each state (Northeast, Northwest, Southwest, Southeast & Central). This would allow for all churches to have a Collection Site within a couple of hours from their location.

### Your church could be a Permanent Collection Site!

All you need is:

- Space to store items
- Availability to assist people when they drop off items
- Willing hearts and hands!

If your congregation is interested in becoming a Permanent Collection Site, please contact [Teresa@midwestmission.org](mailto:Teresa@midwestmission.org) for more information.

God has provided for all our needs. We need help to distribute His blessings.
