If your team members do not have an email

If your team members do not have an email have them follow these directions.

- Go to https://mmdc.volunteermatrix.com/
- Click on "New Volunteer Registration"
- Create a Login Username (This can be your phone number or any 6-10 characters), create a Password, and complete the rest of the questions on the main screen.
- As the team leader, you will need to let the team member know what the name of your Team is or to search under your name. This will allow them to add themselves.
