Dear Midwest Mission Family,

What a year! If I had to describe it would be "One miracle after another". Miracles happen when you work hard and serve the Lord as directed.

Midwest Mission was created for times like these. Being a small and nimble nonprofit with highly committed staff members and missionaries helped us thrive in the face of diversity. We never closed because we are called to serve the most vulnerable in times of crisis. We were able to quickly ship the PPE, Cleaning and Personal Hygiene items we had on hand while none were available in the supply chain.

Creative thinking, enhanced safety protocols, and daily prayers for God's grace and protection have kept us running at full capacity and then some. We were able to accomplish more than ever before, even though the number of missionaries on-site dropped by 70%. In-kind supply donations increased (even without annual conference collections) due to additional collection sites that were set up around the Midwest. We shipped \$10.8 million worth of supplies in 2020, up from \$3.5 million in 2019. You just cannot increase supplies shipped by 3.5 times while operating with fewer missionaries and fewer collection opportunities without God. He found a way.

New partnerships were formed. Midwest Mission board members worked in their conferences to find new ways to reach donors and help the people in their conferences. Collection site systems took hold and grew. (You can see a list of all our Permanent Collection Sites at www.midwestmission.org/donate/permanent-collection-sites.)

When you take leaps of faith and listen to His still, soft whisper He will not lead you astray but will guide and equip you to complete the task. This doesn't mean it happens without adversity because the evil one is still at work, but when you have a talented staff, loyal missionaries, and donors who are sending lots of prayers, anything is possible. What God called you to do at Midwest Mission in 2020 is still mind-blowing to me.

Please continue to be our partner in ministry in 2021. We never think we can do more than the year before but God has a way of reminding us that He is in control, has a plan, and we can't out-do Him. Prayers for another year full of miracles.

Walking in light,

Chantel Corrie

Chantel Corrie, Executive Director

The faithful love of the Lord never ends! His mercies never cease. Great is his faithfulness; his mercies begin afresh each morning. I say to myself, "The Lord is my inheritance; therefore, I will hope in him!"

Lamentations 3: 22-24 NLT

SENDING HOPE AND EMPOWERMENT
AROUND THE WORLD AND AROUND THE CORNER

HOW TO PARTNER

Sending hope and empowerment is possible through the generosity of God's people - Thank You!

In 2020 Midwest Mission received \$1,112,265.60 in cash donations that we were able to turn into \$10,829,609.04 of humanitarian relief.

YOUR PRAYERS

More than anything, Midwest Mission is powered by prayer for those who are suffering and for those who are serving. To receive prayer updates join our weekly newsletter by emailing us at office@midwestmission.org

YOUR SERVICE

More than 567 of God's people volunteered onsite in 2020 with many more serving offsite. Be the hands of the ministry by building kits or projects on-site, in your own home or in your faith community. We have created safe ways for you to partner with us in missions. Serve today by contacting office@midwestmission.org or calling 217-483-7911.

MONETARY DONATIONS

For every \$1 donated in 2020, \$9.74 in supplies were sent out to support those in need. Donate by returning the enclosed envelope, by texting MMDC to 41444, or by going to midwestmission.org/donate

SUPPLIES FOR KITS & PROJECTS

Your donation of supplies will help those in need around the world to help overcome their crises. Find all kit details at midwestmission.org/mmdc-kits-projects-patterns

COVID RELIEF

COVID Relief Supplies are sent to people who lack access to essential items.

In 2020 Midwest Mission reached more than 1,583,505 people affected by COVID.

HOME CARE
1,556

FACEMASKS
1,407,238

Thanks to you, Midwest Mission sent \$1,374,686 worth of COVID-19 relief supplies to 1,583,505 individuals in need around the world and around the corner. We want to thank all those who stepped up and made thousands of cloth facemasks for the front-line, essential workers, children, and people in desperate need. Midwest Mission would also like to thank those who graciously donated the monetary funds needed to purchase the requested supplies. We will continue to respond immediately to all requests for assistance with natural disasters and the COVID-19 crisis in 2021.

This year has been quite unordinary but still very fruitful. When our mission is "Bringing the hearts and hands of God's people together to transform resources into humanitarian relief" and we specialize in disaster response, we must spring into action when the entire world is being affected by a pandemic. We have seen God move mountains to help us provide aid to first responders, front line workers, and various nonprofits that care for the most vulnerable. God continues to open new doors and create new partnerships around our local community, our nation, and the world.

While tight restrictions were in place in Illinois, the work continued at Midwest Mission. By wearing our masks, social distancing, and limiting our numbers, we were able to welcome missionary teams who wanted to serve onsite as openings were available. We also expanded opportunities for offsite missions (see the MISSION JOURNEY tab on our website). Consider involving your neighbors, as many people are still feeling isolated - focusing on helping others works miracles for the soul.

COVID RELIEF

COVID Relief Supplies were sent domestically and internationally to those in need.

In 2020 Midwest Mission sent 24,265 bottles of Hand Sanitizer.

AMERICAN INDIAN CHRISTIAN MISSION

At the beginning of 2020 a large request for relief was submitted and with some of the funds donated from the #20DayChallenge we were able to pay it forward - your generous gifts helped purchase supplies for those in need during the 2020 pandemic.

The request first came through our partner South Side Christian Church in Springfield, IL. South Side is a congregation that is generous with their time, talent, and treasure. It is their desire to leverage the unique collection of gifts that make up their church family to achieve a greater impact for the Kingdom. They select missions from all around the world to support and give assistance. Midwest Mission was chosen to be one of their National Partners. South Side received a letter from another one of their National Partners, American Indian Christian Mission (AICM) in Arizona, requesting immediate supplies to help those in the Navajo and Apache Reservations that were being affected by COVID 19.

The AICM had no masks, hand sanitizer, or toilet paper. On Friday, April 24th Midwest Mission sent a shipment to the AICM with a Record-Breaking Shipment valued at \$435,580.60!

On this shipment, Midwest Mission was able to send Rice Meals to feed 38,664 individuals, hand sanitizer for 14,300 people in need, 5,250 Facemasks to help stop the spread of COVID-19, toilet paper, household cleaner, shoes, Personal Dignity Kits, Hygiene Kits, Bottles of Water, 30 Gallon Barrels to store and haul clean water for those coping with and fighting COVID.

Hear Deanne's Prayer as she explains what it felt like for herself and those that received the supplies. Go to https://youtu.be/CNgyrSq5_cE

U.S. DISASTER RELIEF

UMCOR Relief Kits are sent to people who lack access to essential supplies after a disaster strikes.

In 2020 Midwest Mission distributed more than 46,452 Disaster Relief Supplies.

CLEANING KITS FOR OREGON

On October 14, 2020, Midwest Mission disbursed 672 UMCOR Hygiene Kits and 504 UMCOR Cleaning Kits to Barry Braden, the UMCOR Assistant Conference Disaster Response Coordinator for Jackson County Oregon. Barry made this request to help those who have begun to recover from the wildfires that blazed through more than 1 million acres and destroyed multiple homes in Oregon. Barry reported that since October he has been dropping off a pallet of each UMCOR kit (hygiene/cleaning) to the Fire Relief Center in Phoenix, OR.

This Center acts as a store that allows the families to select the items they need at that time. Barry went on to say that there is a line of families each day at the Center waiting to enter to get the supplies they need to clean up their homes from these devastating fires. Join us in prayer as Oregon continues to recover.

"IN THE SAME WAY, LET YOUR LIGHT SHINE BEFORE OTHERS, THAT THEY MAY SEE YOUR GOOD DEEDS AND GLORIFY YOUR FATHER IN HEAVEN." MATTHEW 5:16

THE GIFT OF SELF-CARE

Principe de Paz Children's Home is located in Zambrano, a rural village situated in the countryside of Honduras. It is the home of 30 children who were living in environments in which they suffered physical and/or sexual abuse, extreme poverty, and violence. In addition to being a permanent residential center, the facility also cares for and provides education to an additional 27 children who come from homes with few economic resources.

Thanks to your generous in-kind donations, Midwest Mission donated Home Care Kits and Personal Dignity Kits to three residential facilities caring for children. A total of 57 children benefited from this donation of essential personal hygiene items that would otherwise be inaccessible.

Other facilities that received our Personal Dignity Kits were Hogar de Niños San Ramón, and Yo Quiero Ser through the Angels of Hope Program in Honduras. Hogar de Niños San Ramón is a children's home that cares for youths who have no place else to live, and Yo Quiero Ser is a children's residential home for street children whose parents are no longer able to care for them.

FIRETRUCK TO GUATEMALA

In August Midwest Mission sent a firetruck (valued at \$46,500) to Guatemala through Food for the Poor. This firetruck was graciously donated by the village of Minster and the Minster-Jackson Township Volunteer Fire Department in Ohio. Missionary Leader and past member of the fire department, Pat Baumer, coordinated this donation and the donation of fire equipment that shipped to El Salvador last year with Food for the Poor.

The firetruck left Ohio by truck and then arrived in Florida to go by ship to Guatemala. Food for the Poor will use the firetruck to assist with emergencies in the area.

We can not thank God enough for putting this donation into motion. We also want to thank Pat Baumer, the village of Minster and the Minster-Jackson Township Volunteer Fire Department in Ohio for supporting our ministry and donating this beautiful firetruck that will help those in need during a crisis.

AMBULANCE TO BELIZE

In February of 2020 our Executive Director, Chantel Corrie attended the United States Southern Command conference which brought together military members from all over the country. All those in attendance had the opportunity to do a short introduction and before Chantel had even shared who she was, the woman sitting next to her asked, "Can you get your hands on an ambulance?" Taken aback, Chantel said, "Hi my name is Chantel with Midwest Mission and yes, we have shipped an ambulance before!"

Chantel then met Dr. Seja, the lead doctor of the Corozal Community Hospital in Belize. He informed Chantel they were in desperate need of transportation for their patients and Chantel knew Midwest Mission was meant to be in this exact place to assist them with the task of obtaining an ambulance. Brad Walton, our Operations Manager, found a diesel ambulance on GovDeals.org and Dr. Seja was able to view and approve this ambulance that same day at the conference. The Air Force was able to deliver the ambulance to Belize on November 9th.

For the complete story go to <http://www.midwestmission.org/news/mission-spotlight>

HEALTH

Health supplies and kits are sent to those recovering from disasters, both nationally and internationally.
In 2020 Midwest Mission fed 311,322 individuals.

RICE MEALS TO THE SCHOOL OF HOPE

In February of 2020 Midwest Mission was able to disburse 1,200 Rice Meals to the School of Hope in Arachaie, Haiti. The goal of this ministry is to follow Christ's lead and help the neighborhood become self-sufficient through its many programs. At the present time, there are approximately 400 students from kindergarten through 9th grade that attend The School of Hope!

Jean Claude, the Founder of The School of Hope reported that the Rice Meals were able to serve 500 children and 100 adults, providing them with 7,200 individual meals. He said they were all very grateful for the meals, prayers, and the Christian love and support from Midwest Mission. It is very rare that the children get but one meal every day so these Rice Meals mean more than you can imagine. "God is taking notes of their good deed to those needed people and God will bless the ministry and all the donors and keep them safe and healthy" Jean stated.

CHEDA - ETHIOPIA

In June of 2020 Midwest Mission sent a shipment of humanitarian aid to Addis Ababa Ethiopia. These relief supplies that arrived in September of 2020 went to a local orphanage and a nonprofit called Community Hope Expansion & Development Action (CHEDA). CHEDA supports the refugees in Ethiopia from South Sudan, particularly the vulnerable widows, women separated from their husbands, and their children. It's their mission to serve those in need and to eradicate poverty. At this time CHEDA is working to improve the quality of education and other developmental services.

This shipment was made possible by retired Springfield physician, Karen Hoelzer. After attending a previous mission trip to Ethiopia and meeting the Founder of CHEDA, Gabriel Tott, Karen decided to collaborate with CHEDA and Midwest Mission to help the women and children in Ethiopia to receive life-saving supplies. There are about 32 women with CHEDA that received 47 electrical sewing machines, 8 treadle sewing machines, fabric with a variety of sewing items, along with a dozen sewing kits that will allow them to earn a living to help support themselves and their children.

The infants in the orphanage received 576 Midwest Mission Layette Kits, 840 Layette Sweaters, and several redirected baby items including baby diaper ointment. The youth received 3,024 Midwest Mission Students Kits, 775 homemade boy outfits and 1,312 homemade girl outfits. In addition, the women and children received Bibles, thousands of pieces of women & children's clothing and new shoes, 20 twin size mattresses with blankets, 1,480 Rice Meals that fed 8,880 individuals, 6 Laptops with power adapters, reading glasses, and 538 lbs of redirected tarps from Lamar Advertising. The total value of the shipment was \$144,561.50.

Thanks be to God for making this a successful disbursement and ensuring these supplies went into the hands of the children and mothers in need. Below you will see photos from those children and mothers receiving the supplies!

ELIMINATING BARRIERS

Midwest Mission was able to disburse 20 refurbished bicycles to the Faith Fellowship Church in Decatur, IL in October of 2020. These bicycles went to the youth members of the congregation that are engaged in the youth programs at the church. Pastor Wayne Dunning of the Faith Fellowship Church stated to our Operations Associate, Ramon Ortiz, "Praise God, Praise God for your donations." It is truly humbling to see these bicycles break barriers of transportation in our own back yard.

Pastor Wayne Dunning is a Men's Basketball Hall of Famer from the Millikin University class of 1983 who was inducted in 1988. Dunning is now the pastor of Faith Fellowship Christian Church, works as a substitute teacher in Decatur schools, and serves as a trustee on the Richland Community College board, in addition to coaching basketball, hosting camps, and a number of other community initiatives. His congregation's outreach consists of a food pantry, financial assistance, bicycle giveaways and a number of youth programs.

Midwest Mission thanks their missionary shop leaders for donating their time and talents to refurbish these much-needed bicycles and Pastor Dunning for getting them into the hands of the youth that need them the most.

Thank You

to the 2,396 donors who generously made gifts in 2020 to support individuals during their time of crisis.

The worldwide impact highlighted in this report would not have been possible without each and every one of you!

Average gift size: \$134.18

2020
