

# MISSION IN MOTION

## Why host a Mission Event? We bring the mission to you!

With three Mission Event options that you can host at your church or organization, you can choose the event that is perfect for your group. Mission Events connect congregations, grow teams closer together, and deepen discipleship. Just like going on a mission trip, hosting an event in your community creates a place where memories are made and shared. All while actively being the hands and feet of Jesus! We provide all the supplies, equipment, and instruction videos, you provide the spaces, tables, and volunteers!
