## Our Mission

Bringing the hearts and hands of God's people together to transform resources into humanitarian relief.

## Who We Are

We are Christians who work to show God's love in a practical way to those in need. We are a logistical conduit for Christ's ministry, engaging with partners from all places and backgrounds who are held accountable and whose mission and values align with ours.

## What We Do

We send tangible resources to those in need to make an intangible difference in their lives through hope and empowerment. In times of crisis internationally and in the United States, Disaster Relief, Health, Education, and Micro Business supplies are given freely through trusted partner nonprofits.
