We send tangible resources to those in need to make an intangible difference in their lives through hope and empowerment.

Our Mission

Bringing the hearts and hands of God's people together to transform resources into humanitarian relief.

Who We Are

We are Christians who work to show God's love in a practical way to those in need in their time of crisis. Supplies are given freely through our trusted partner nonprofits. We engage with partners from all places and backgrounds who are held accountable and whose mission and values align with ours.

What We Do

We are a logistical conduit for Christ's ministry. We receive a request from trusted nonprofits, then prepare items we have and ask our supporters for items we need. Volunteers process, revitalize, and assemble the donated items. Then donations are shipped to our trusted partners to distribute to those in crisis.

How We Share Hope

In 2022, \$7.99 million of supplies were sent in 299 domestic and 48 international shipments. Supplies are prayed over multiple times and prayer cards are in each kit, signed by the person who packed it. These resources give hope and empowerment to those in crisis around the world and around the corner.

Pray

We are an organization that operates on faith and is fueled by prayer. Pray for Midwest Mission, the people we serve, and the people who serve with us.
