## About Midwest Mission

Midwest Mission specializes in disaster relief supplies, education, health, and micro-business. We are a non-profit organization that was started with a grant from the Illinois Great Rivers Conference of the United Methodist Church in 2000. We are a Cooperating Depot in the UMCOR (United Methodist Committee on Relief) Relief Supply Network. Midwest Mission also partners with the US Military, Food for the Poor, and many other non-profits to bring humanitarian aid around the world and around the corner.

## Mission Volunteers

Mission volunteers make the work happen! Midwest Mission has only seven full-time and three part-time staff members. The mission volunteers do 100% of the assembly and preparation of items for distribution.

Mission volunteers assemble kits, build desks, repair bicycles and sewing machines, sort and count materials, stuff mailings, sew, unload donations, assist with maintenance and meet the day's needs. Whatever your abilities, there is an important job that needs you! Work will be prioritized and set up each day based on the most pressing needs of the Mission volunteers.
