

# MEDICAL SUPPLIES DONATIONS

**MIDWEST MISSION**

Sending Hope & Empowerment

**When someone's health is in jeopardy, everything else is.**

From a lack of mobility to being unable to work or attend school, their daily life, and potentially their family's lives, are disrupted. We want to provide tools for healing and empower continued mobility, which provides dignity and independence. We accept donations of medical supplies and equipment from hospitals, nursing homes, and individuals. We also assemble health-related kits and handmade items. **What you are holding onto for someday, someone needs today.**

## What we collect:

- Walkers
- Wheelchairs
- Crutches
- Canes
- Home Care or Hospital Beds
- Other orthopedic supplies (walking boots, slings, braces, and knee scooters)

**You can drop supplies off at Midwest Mission location or a Permanent Collection Site near you.** Visit [midwestmission.org/permanent-collection-sites](https://midwestmission.org/permanent-collection-sites) to see available drop-off times and contact information.

**Questions?**

**Call 217-358-6675 or email [brad@midwestmission.org](mailto:brad@midwestmission.org)**
