**WOW!** You have really stepped up this week in volunteering and donating to fill this request! Plus, we can feel the prayers surrounding this project. The big bell just rang out from Warehouse #1, signifying another completed pallet! That makes **26 of the 40 boxes** needed. **You have helped us make enough bags to feed 187,200 of the 288,000 goal! Amazing!**

We have raised upwards of \$26,000 of the \$48,000 needed for the shipment. \$1.00 pays for 1 bag which feeds 6 people. \$40.00 fills a box and feeds 240 people. \$1,200 sends a pallet that feeds 7,200 we need 40 pallets to fill this container.

We are making GREAT progress, but still need your help in order to fulfill the request from **North Star Foundation**. So, we have opened additional shifts for next week, including Thursday evening hours. Packing is happening in our warehouse. Schedule Above.

# TWO Shipments in 4 hours

## Food For The Poor Shipment Going to Guyana

On **Wednesday, May 4**, Midwest Mission prepped not one, but **TWO** containers! (Note Brad's expression.) The first was onto a truck at Midwest Mission and headed to **Guyana**. The shipment included everything from treadle sewing machines, to pillowcase dresses, baby onesies, tops, sweaters, bottoms, 80 blood pressure cuffs, 1600 blood transfer kits, 700 surgical drapes, 207 surgical scrubs, hospital beds, 196 Layette Kits, 672 UMCOR school kits and more.

**Value:** \$151,647.24

We are thankful for our partnership with [Food For The Poor](#) who shares with us where the most need is on an international level and how to best serve recipients.

## Angels of Hope Container Ships to Honduras

The second **May 4 shipment** loaded by Midwest Mission staff is en route to Honduras. This **Angels of Hope** container is filled with

- 360 Home Care Kits
- 840 Personal Dignity Kits.
- 286 cases of disinfectant wipes
- 171 cases of 16.9 oz. antibacterial wipes

Thank you to our volunteers who assembled and verified each kit. You are a gift.

**Value:** \$146,240.00

[Rural King](#) donates semis of hand sanitizer and [Rockline Industries](#) donates semis of bleach wipes. Collaborating with volunteers, donors and corporate sponsors allows us to carry out God's mission to serve others.

## Collaboration at Heart of Midwest Mission

### Strategic Planning Weekend with Board

Midwest Mission **board members and staff** worked together Friday and Saturday, May 6 and 7. They discussed strategies for continued growth on several levels, determined priorities and set plans in motion for the next three years. When everyone actively listens, is engaged in the heart of who Midwest Mission is and cares about the future, dreams and opportunities surface.

Next steps: Board members and staff will flesh out their ideas over the coming months. Watch for the blessings to come. We are grateful for our forward-thinking, Jesus-loving board of directors!

# Midwest Mission Hosts Chamber Members

Engaging with others is the best way to spread the good news of what/who Midwest Mission is. With that in mind, we hosted **Good Morning Springfield on Tuesday, May 10**. This monthly event is hosted by [Greater Springfield Area Chamber of Commerce](#) member businesses and organizations. As we continue to become more of a resource, we want to ensure people know us on a local, regional, national and international level. It was wonderful to have new people on site asking questions and being excited about all that is done and how they can become part of the efforts. New partnerships have already begun to take shape, additional tours have been scheduled, and donations of time, resources and funding have increased. We'll keep shining the spotlight, as we give God all of the credit.

## Campus Upgrade

Asphalting the front parking lot and entrance was one of the campus upgrades outlined as part of the **2021 Brick by Brick Campaign** goals. Thanks to your prayers and generous donations we are seeing that project come to fruition this week.

Illinois Paving's crew gearing up to lay new asphalt, replacing the gravel lot. Smoothing the way for your visits!

The upgrade started with the parking lot in front of the Midwest Mission facility, where volunteers park and extends to the driveway.

Safety is of the utmost importance to Midwest Mission. We want to ensure our volunteers, visitors and staff are safe while on campus.

There will be 21 regular parking and four accessible parking spaces in front of Midwest Mission. You matter to us!

We are grateful for the weather, the workers and the newly asphalted drive and parking lot. Abundant blessings all the way around.

**Thank you for your donations to last year's Brick by Brick campaign.** Your gifts helped ensure this project was completed.

## WOOT! WOOT! Operation Ukraine Loaded and Shipped

### Hearts Working Together Create Abundant Blessings

Over the last two weeks, more than **400 volunteers** gave nearly **3,000 hours** to fill **48,000 rice meal bags** for the people of Ukraine.

We are thrilled that **275 new volunteers** were on campus for the event.

Keep spreading the word about **Midwest Mission** opportunities. Bring your friends and family. They'll be glad you invited them!

This morning, **Friday, May 20**, your efforts culminated in the shipment of 40 pallets with 30 cases each. Way to go! It is a privilege to serve alongside you to send hope and empowerment around the world and around the corner.

**Value:** \$96,000

**Additional funds that come in for Ukraine will be designated for ongoing support there.**

## VBS Supply Drive Opportunities

Midwest Mission wants to be your **mission focus** for **Vacation Bible School**. It's a great way to teach your kids how to show God's love in a practical way. Those who receive the one-handed bag of supplies are grateful for the tools they receive to help them have a better learning experience. Your kids can help!

There is a **video** for each day that tells stories

and encourages kids to bring one or two items per day, and culminates on the fifth day with a video showing how to put the kits together.

We are excited to have your kids help us **"Send Hope and Empowerment Around the World and Around the Corner."**

## Campus Upgrades

### Dorm Gets Insulation

Your comfort is important to us here at Midwest Mission. After hearing from you that it was cold in the dorm, we did some checking. The dorm attic had very little insulation. That is no longer an issue. After [Prairie Insulation](#) blew in 65 bags of insulation, your personal comfort level will improve, as will the energy efficiency of the dorm.

The dormitory is available to individuals and groups to reserve for overnight accommodations while they serve at Midwest Mission. It can house a maximum of 32 people and consists of a common area, full kitchen and washer/dryer. There are six rooms with two bunk beds in each and two rooms with a bunk and 2 single beds.

We can't wait to see you on campus! Contact **Pat Wright at 217-697-4063** or [Pat@midwestmission.org](mailto:Pat@midwestmission.org) to get registered and to reserve your space for your next [Mission Journey](#).

## Spring is in the Air

Thanks to Chelsea and Josh from the [Apple Barn](#) in Chatham, IL for adding the beautiful flowers to the front of the [Twice Giving](#) shop on campus, where you'll find fun fair trade gifts. The Apple Barn is a locally-owned shop featuring amazing baked goods, fresh produce, plants and more.

## Volunteers Prep Brick by Brick Mailer

This week we had the annual [Brick by Brick](#) mailer ready to get out the door.

Volunteers stuffed all 7,700 envelopes into the 7,700 brochures. Be sure and check it out when you receive it. You'll see the major improvements your donations helped come to fruition last year, and the special projects we need help to fund for 2022.

**Click on the link above to donate or text Brick to 855-589-1314.** We are so grateful for all of your volunteer efforts and gifts!

midwestmission.org

Midwest Mission Offices are closed Monday, May 30 in observance of Memorial Day.

## Three Containers Leave This Week!

### Shipment #3 to Ukraine is on its way to Poland

This Wednesday, May 25, the third shipment for Ukraine was loaded with your rice meal bags and items from our partner the Southern Baptist Disaster Relief. This shipment came together at the request of a partner organization, Operation Ukraine. Disaster relief blankets were dropped off in the morning and before the driver left the lot Operations Manager, Brad Walton, received a call from Operation Ukraine asking if we had blankets we could give them to get to Ukraine. When Brad was called to see if Midwest Mission could use the baby supplies he said yes as they can always be used but again before the day was over he got the request again. "We say 'yes' and know that God takes care of the rest. We are good at logistics, but God is on a whole other level, it never ceases to amaze us," says Brad.

The container contents had a value of \$97, 310 and contained:

- 12,000 Rice Meal bags
- 2459 emergency blanket
- 4224 disposable diapers
- 468 baby wipes

## Aiding the US Military's Humanitarian Mission

It is that time of year for the annual United Military's Southern Command humanitarian aid mission. This year's mission is called Resolute Sentinel and Midwest Mission is working with the Guatemalan exercise.

Resolute Sentinel provides joint training and improved readiness of U.S. and partner nation civil engineers, medical professionals, and support personnel through humanitarian assistance activities. Resolute Sentinel 2022 will include four partner nations and integrate combat interoperability and disaster response training in addition to medical exchanges, training, aid, and construction projects. Follow the mission on Facebook [click here to follow Resolute Sentinel](#) or [here to follow the US Southern Command](#).

This shipment has been in the works since the planning conference in October. Executive Director, Chantel Corrie attended the conference and worked with the delegation from Guatemala to find out what they needed to outfit the two schools and clinics that will be constructed by the joint forces. Outside of these projects, they want to start a sewing program so sewing machines were sent. They also asked for fire gear to help their firefighters who deal with forest fires. Equipment was donated from departments around the Midwest.

The schools will receive 60 Midwest Mission desks which will seat 120-180 students. 48 computers that Midwest Mission purchased at a discount from fellow non-profit Computer Banc. Computer Banc outfitted the computers to be programmed for Guatemala specifically.

**Items donated to this mission are valued at \$97,334**

Fire equipment sent.

Firefighters who will receive equipment.

## Ukraine Donations

We want to thank everyone for their donations that made the shipments to Ukraine possible. There

Midwest Mission's Executive Director, Chantel Corrie, accepting check from United Methodist Foundation board member, Pat Wright.

were hundreds of donations that came in to help us meet the goal for the 48,000 rice bag container

We will continue to collect donations for Ukraine with 100% of the donation going to get supplies that are being requested. This is going to be a big effort that will take years of recovery.

"We appreciate each and every donation we receive. Your financial gifts allow us to bring hope and empowerment around the world and around the corner in practical ways," says Executive Director, Chantel Corrie.

We are still taking donations to go directly to Ukraine as we are prepared to support this effort for the long haul.

Sewing the bags can be a great activity for older kids. One-handle bag pattern. Don't have sewers now worries put it in a plastic grocery bag and we will put it in a bag when it arrives and recycle the plastic one.

We are excited to have your kids help us **"Send Hope and Empowerment Around the World and Around the Corner."**

## Tours Offered on Campus

We are so excited to have people come in to experience who and what Midwest Mission is! Communications Manager, Lisa Rigoni gave **10 tours in May**. "If you have been on campus, you know the breadth of all that is done through your **time, in-kind donations and financial gifts**. When you take a tour, it's an expanded level of understanding Midwest Mission, seeing the facilities and hearing stories of real hope for real people."

If you are new to Midwest Mission or haven't been on campus in a while, **consider a tour**. Contact **Lisa Rigoni** at 217-697-4681 or [Lisa@midwestmission.org](mailto:Lisa@midwestmission.org).

## PRAYERS to LIFT UP

Please pray for Ukraine and Us Military and their partners as they begin mission Resolute Sentinel. May all those who received gifts of supplies from Midwest Mission this week feel a comforting reminder of God's love.
